*See the account rate sheet for the interest and Annual Percentage Yield for this account. The interest rate and annual percentage yield may change at any time at management's discretion. Interest rates are set at management discretion. Interest will be compounded monthly and credited to your account at the end of each statement cycle. Interest begins to accrue on the business day you deposit any item. We use the daily balance method to explain how the balance on which interest calculated is computed. This method applies a periodic rate to the principal in the account each day.

**The Federal Government requires that we reserve the right to require at least seven days written notice before any withdrawal or transfer.
